

“Sisters Impacting the World with What We Have”

“You are the light of the world. A city that is set on a hill cannot be hidden. Nor do they light a lamp and put it under a basket, but on a lampstand, and it gives light to all *who are* in the house. Let your light so shine before men, that they may see your good works and glorify your Father in heaven.” *Matthew 5:14-16*

Greetings, my dear sisters in the name of our Lord Jesus Christ!

We are excited about 2020 Virtual Women’s Retreat, “Sisters Impacting the World with What We Have,” Matthew 5:14-16.

We, the Women’s Enrichment Ministry are planning an exciting and spiritually enriching event for you this weekend. As a reminder this virtual retreat will take place on Friday, October 23rd through Saturday, October 24th via Livestream/Facebook Live starting at 9:00 a.m..

Although there is no cost to attend the retreat, we highly encourage each of you to still register by going to our website at www.ketteringministries.org. as we would love to have a record of your attendance for the retreat. Registration ends on October 17th.

Our guest speaker and praise and worship information, along with the Itinerary for the weekend, can be found on our website.

In preparation for the virtual retreat, please remember to have the following items available for maximum impact to you:

- Bible
- An Open Heart and Mind
- Journal to take notes

Additionally, please remember to pray for our guest speaker Minister Jacqueline McCoy as she prepares for this event, that God will use her to encourage, challenge and equip us to be women **Impacting the World with What We Have**.

I would like to encourage you to try to arrange to have space alone so you may forget the problems, people, and discouragements that plague you, so that you can block out any discomforts of your existing surroundings, to focus solely on meeting Jesus face to face and having Him blow fresh wind into your life. As He speaks, you listen; as He ministers to you, you respond in a way in which you have never responded before.

It is my prayer that each woman will join me and the Women's Ministry on this **Impacting the World with What We Have 2020 Virtual Women's Retreat**. I look forward to God changing our lives and that our lives will no longer be the same.

Love in Christ,
