

## Class Descriptions

### Fellowship with Believers

Fellowship with Believers helps believers understand the nature of the church as a whole and how it functions as the body of Christ. This study teaches how to develop healthy relationships, spend time with other believers, help one another grow strong in the Lord, and serve together to accomplish His kingdom purposes. **6 Week Course**

### The Truth

This study helps disciples answer the question "**What does a disciple believe?**" Many people will claim Christianity, but do they really know what they believe? Do they know the doctrines of the faith? The Truth challenges students to take a deeper dive into six core doctrines: God as triune creator, the reality of sin, the Person and work of Christ, the kingdom of God, and the church. **6 Week Course**

### The Disciples Mission

This six-week study helps Christians understand how to be on mission with God and to help others develop growing relationships with Christ. Topics include righting wrong relationships, witnessing through relationships, nurturing new Christians, maturing as a disciple, making disciples, and developing co-laborers with a kingdom perspective. **6 Week Course**

### It's Not Too Late

If you've ever wondered, *Is it too late for God to do something with me?* This study is for you. God frequently uses broken people to accomplish His purposes on earth. A broken person who has learned dependence on God is a force to be reckoned with. This six-session study looks at three men and three women of the Bible who were used mightily by God despite their previous mistakes. You too can learn to focus on the potential of your future, not the missteps of your past. **6 Week Course**

### **The Disciples Personality**

In this six-week study disciples will learn how to share their personal testimonies. Topics include: doing God's will, renewing the mind, mastering the emotions, presenting the body, and being filled with the spirit. **6 Week Course**

### **Life Lessons from Women**

This study examines the lives of women in the Bible and challenges women today to apply what they learn. This Bible study is helpful to new believers who are beginning to study God's Word, as well as mature Christians who desire a deeper understanding of Scripture. Focus on women in various ages and stages of life and dive into the culture, families, and testimonies of these women. **6 Week Course**

### **Jonah**

This study is a chapter/verse examination of the book of Jonah working through the dynamic between man's disobedience and God's deliverance. God being merciful, can provide opportunity and second chances for people, who in our estimation, don't deserve it, but we forget we are recipients of His mercy as well.
