Session B
Class Descriptions

Walk by Faith

In this course you will be examining scriptures that encourage disciples of Christ to continue in their walk of faith during difficult and troubling times. The enemy longs to influence believers to cave in to trials and walk by sight rather than faith. When life gets hard and the temptation exists to quit, that is time for your faith to increase rather decrease. Faith is strengthened in the valleys, not on the mountain tops. **This is a 5 Week Course.**

Core Truths 3

This course addresses some of the hot topic subjects of the Christian faith. Specifically, this study will delve into teachings concerning Good and Evil and address the topic of “why does evil exist in the world.” It will also deal with the subject of life after death and the reality of Heaven & Hell. Finally, the class will conclude with the topic of the Second Coming of Christ and how the reality of His coming should impact our lives. **This is a 6 Week Course**

33 Men’s Series Vol. 2

This class is part of the Men’s Fraternity series dealing with the subject of authentic manhood as modeled by Jesus Christ during His 33 years on earth. In this second volume of 33 The Series, men explore their stories through a biblical perspective. With help from experts and regular guys, men will be equipped to learn from their past, come alive in their present, and enjoy God’s best in the future. **This is a 6-week course.**

The Call

This course of study helps students answer the question "**Who am I as a disciple of Christ?**" It begins by exploring the question "Who is Jesus?" Then it takes group members through the priorities of a disciple, the cost of a disciple, and the fruit of a disciple. Far too often we neglect to teach on the cost of discipleship. Discipleship is rewarding but it isn’t free. But the reward far outweighs the cost. **This is a 6-week course.**

Discerning the Voice of God

If hearing God has seemed challenging, this study invites you to explore a more intimate relationship with Him, one that can make hearing God, His will, His heart, and His voice—your ongoing experience. Discover how you can listen with greater confidence, clarity, and discernment. **This is a 6-week course.**

The Disciples Victory

This class is designed to help you achieve victory in spiritual warfare. In this study you will focus on outer victory as you learn how to advance against the enemy in spiritual warfare. You will learn the defensive weapons of Spiritual Armor which protects you, and the offensive weapons which lead you to advance against the world, the flesh, and the devil. **This is a 6-week course.**

Spiritual Gifts

This Bible study examines spiritual gifts biblically, helping participants see what the gifts are (and are not). Each session answers a specific common question about spiritual gifts, including how to discover and use the gifts God has given you. In this course you can expect to Develop a biblical understanding of spiritual gifts, identify your gifts, and see how spiritual gifts are used in community. **This is a 6-week course.**
