## **Men's 33 Part 6: A Man and His Fatherhood**

Fatherhood is more than just protecting and providing for your kids. Being a dad is one of the most important and influential roles a man could ever play in his life. This final volume of *33 The Series* will help you begin to think strategically about being a dad. *A Man and His Fatherhood* provides insights and biblical truth that can carry you through the confusion and dark moments of fatherhood and also energize you for its high points and powerful moments. **This is a 6-week course**

## **Naomi**

Naomi's story, found in the book of Ruth, is a story of lost identity. She lost her husband and her sons, which in her culture left her completely without a home or a means to support herself. She reacted by letting her circumstances define her. But even in her angry, fearful, rather dramatic season of feeling like the victim, God kept showing His faithfulness. You'll learn that when we go through trauma, loss, and hardship, it's normal to feel like giving up. Yet God remains close. He is not done. He can and will redeem even in our darkest circumstances. **This is a 4-week course. Women Only and Virtual Only.**
